

Future Money Conference, 2020

Hotel St. Regis, Mumbai

Primechain Technologies Pvt. Ltd.
proudly announces the **third edition** of
its Future Money Conference (FMC).

Date: Wednesday, 8th April, 2020
Venue: Hotel St. Regis, Mumbai

To understand the massive disruptions
in the world's money systems, the third
edition of Future Money Conference is
bringing together thought leaders and
decision makers from the Banking and
Financial Services sector.

Benefits to sponsors

1. Showcase your solutions directly to decision makers from banks and FIs.
2. Create and reinforce your brand visibility.
3. Attend to sales enquiries and disseminate information to hotleads.
4. Negotiate offers, which may result in quick sales.
5. Meet potential partners and develop business alliances.
6. Benefit from extensive cross-boundary networking opportunities.
7. Examine the latest market trends and opportunities.
